

In the name of God

Curriculum Vitae

Personal Information:

Name: *Reza Khashei*

Marital status: *Married, two children*

Nationality: *Iranian*

Address:

Department of Microbiology, School of Medicine, Sabzevar University of Medical Sciences.

Tel/Fax: +98-51-44011300

E.mail: khasheir@medsab.ac.ir , re.khashei@gmail.com

Educational Background:

2003-2009: Ph.D in Medical Bacteriology, Isfahan University of Medical Sciences.

Title of thesis: Molecular fingerprinting of *Helicobacter pylori* strains isolated from Isfahan gastrointestinal patients by RAPD-PCR & Ribotyping

1994-97: M.Sc in Medical Microbiology, Razi Vaccine & Serum Research Institute, Karaj, Iran.

Title of thesis: Survey on frequency of *Mycoplasma pneumoniae* in children & adolescent's respiratory infections and preparation of CF antigen from it's for application in serologic tests

1990-94: B.Sc in Microbiology, Qom Islamic Azad University.

Employments:

September 2009-February 2019: Assistant Professor in Department of Medical Bacteriology at SUMS.

February 2019 – August 2023: Associate Professor in Department of Medical Bacteriology at SUMS.

August 2023- present: Associate Professor in Department of Microbiology at Sabzevar University of Medical Sciences.

2003-2009: Ph.D student in Isfahan University of Medical Sciences.

1998-2002: Instructor of Medical Microbiology in Sabzevar Faculty of Medical Sciences, and teaching in Sabzevar Teacher training University, Shahroud Faculty of Medical Sciences & Sabzevar Islamic Azad University.

Teaching Experience:

Teaching in the following subjects:

Medical Microbiology, Virology, General Microbiology, Mycology, Parasitology & Immunology to Medicine, Dentistry, Pharmacy, Nursing, Midwifery, Health students & Ph.D & M.Sc courses of Medical Microbiology, M.Sc Virology students & Practical Microbiology for Ph.D Biotechnology students.

Technical Experience:

Handeling of *Mycoplasma* and *H. pylori* cultures, Antigen preparation, CFT, DNA and plasmid extraction with manual methods, Southern blotting, Ribotyping, RAPD & Rep-PCR.

Research Interests:

1. Molecular characterization, typing and antimicrobial resistance of Gram-negative rods involved in nosocomial infections.
2. Molecular characterization of fastidious bacteria (*H. pylori* & *Mycoplasma* fields).
2. Molecular characterization of Gram-positive cocci.

Supervisions:

Supervision of 16 Medical Microbiology M.Sc Thesis.

Supervision of 13 MD Thesis.

Supervision of 1 Dentistry MD Thesis.

Advisor of 3 Dentistry MD Thesis.

Advisor of 2 Residency of Dentistry Thesis.

Advisor of 6 Medical Microbiology of Ph.D and M.Sc Thesis.

Presentation:

1. **Khashei R**, Akhavizadegan MA, Yousefi J. Survey on frequency of *Mycoplasma pneumoniae* in children and adolescent's respiratory infections and preparation of CF antigen from it's for application in serologic tests. The 8th Iranian Congress of Biology, 1-3 september 1999, Kermanshah, Iran (*Oral*).
2. **Khashei R**, Ghorbani E, Ebrahimzadeh S, Golmohammadi R. Survey on common bacterial agents in gastroenteritis of children and adults and determination of their antibiotic susceptibility in Sabzevar. The 9th Iranian Congress on Infectious Diseases and Tropical Medicine, 14-18 Jan 2001 Tehran, Iran.
3. **Khashei R**, Golmohammadi R, Shirzadeh E. Survey on seroepidemiology Rubella in would be spouses with ELISA in Sabzevar. The 1st Iranian Congress on Virology, 19-21 Feb 2002, Tehran, Iran.
4. **Khashei R**, Yousefi J, Akhavizadegan MA. Preparation of CF antigen from *Mycoplasma pneumoniae* for application in serologic tests. The 6th Iranian Congress of Immunology and Allergy, 7-9 May 2002, Tehran, Iran.
5. **Khashei R**, Shojaei H. Havaei S.A, Aslani MM, Adibi P, Shavakhi A. Molecular fingerprinting of Isfahan *Helicobacter pylori* strains with RAPD-PCR and Ribotyping. The 11th Iranian Microbiology Congress and 1st East Mediterranean Microbiology Congress, 10-13 May 2010, Guilan, Iran (*Oral*).
6. Sedigh H, **Khashei R**, Hosseini M, Nakhzari Moghadam M, Mostafavi M. Survey on antimicrobial resistance patterns of normal flora bacteria isolated from hands and nose of nurses in NICU of Shiraz Teaching Hospitals in 2011. The 6th Iranian Congress of Clinical Microbiology and The First International Of Clinical Microbiology, 2-4 October 2012, Mashhad, Iran (*Oral*).
7. Motamedifar M, Sarhangi M, Sarvari J, **Khashei R**. Dissemination of Metallo-beta-lactamase producing *Pseudomonas aeruginosa* in Shiraz, Iran. The 6th Iranian Congress of Clinical Microbiology and The First International Of Clinical Microbiology, 2-4 October 2012, Mashhad, Iran (*Oral*).
8. **Khashei R**, Sedigh Ebrahim Sarie H, Hosseini Alfatemi M, Taheripour M. Evaluation of antibiotic susceptibility pattern and performance of alcohol-based handrub in the staphylococci isolated from the neonatal intensive care units (NICUs). The 14th International Iranian Congress of Microbiology, 28-30 August 2013, Tehran, Iran.
9. **Khashei R**, Yousefi-Avarvand A, Motamedifar M, Emami A. Prevalence of exotoxin A, S and U genes among clinical isolates of *Pseudomonas aeruginosa* obtained from

- Shiraz Teaching Hospitals. The 2th Iranian Congress of Medical Microbiology, 2-4 October 2013, Tehran, Iran.
10. Bazargani A, Bagheri Lankarani K, Fattahi M.R, Moini M, Emami A, **Khashei R**, Haddadi M.H, Niknam R. The prevalence of the duodenal ulcer promoting gene (*dupA*) in *Helicobacter pylori* isolates among patients with upper gastrointestinal diseases, Shiraz, Iran, 2013. The 2th Iranian Congress of Medical Microbiology, 2-4 October 2013, Tehran, Iran.
 11. **Khashei R**, Taheripour M, Khorshidifar M, Sedigh H. Prevalence of clinical isolates of *Escherichia coli* and *Klebsiella pneumoniae* producing extended-spectrum beta-lactamase (ESBL) in Shiraz Teaching Hospitals. 7th International Iranian Congress of Clinical Microbiology, 19-21 October 2013, Shiraz, Iran.
 12. **Khashei R**, Zamani Kh, Kaveh M. Nasal carriage of *Staphylococcus aureus* and mupirocin resistance among Shiraz medical students. 7th International Iranian Congress of Clinical Microbiology, 19-21 October 2013, Shiraz, Iran.
 13. **Khashei R**, Yousefi-Avarvand A, Ansari N, Khademi F. Antibacterial susceptibility pattern of clinical isolates of *Pseudomonas aeruginosa* obtained from Shiraz Teaching Hospitals. 7th International Iranian Congress of Clinical Microbiology, 19-21 October 2013, Shiraz, Iran.
 14. Zalipoor M, Sedigh Ebrahim Sarie H, **Khashei R**, Motamedifar M. Phenotypic determination of the biofilm-forming ability of methicillin-resistant *Staphylococcus aureus* isolates from clinical specimens in two hospitals, Shiraz, Iran. 7th International Iranian Congress of Clinical Microbiology, 19-21 October 2013, Shiraz, Iran.
 15. Haddadi M.H, Bazargani A, Bagheri Lankarani K, Moini M, Emami A, **Khashei R**, Alizadeh M, Rahimi A. The frequency of CagA EPIYA-C phosphorylation sites in *H. pylori* isolates among patients with upper gastrointestinal diseases, Shiraz, Iran, 2013. 7th International Iranian Congress of Clinical Microbiology, 19-21 October 2013, Shiraz, Iran.
 16. Sedigh Ebrahim Sarie H, Zalipoor M, **Khashei R**, Motamedifar M. Biofilm-forming ability of *Staphylococcus aureus* isolated from clinical specimens in Namazee and Faghihi Teaching hospitals, Shiraz, Iran, 2012-2013. 6th International Iranian Congress of Laboratory and Clinic, 12-14 February 2014, Tehran, Iran (**Oral**).
 17. **Khashei R**, Sedigh Ebrahim Sarie H, Hosseini Alfatemi M. Constitutive and inducible clindamycin resistance incidence in coagulase negative staphylococci

isolated from Shiraz NICU nurses. 6th International Iranian Congress of Laboratory and Clinic, 12-14 February 2014, Tehran, Iran.

18. **Khashei R**, Taheripour M, Dehghani B, Gorzin AA, Kooti S, Zalipoor M. Study of integrin-mediated antimicrobial resistance genes among clinical isolates of *E. coli* and *Klebsiella* spp. in Shiraz Teaching Hospitals, Shiraz, Iran, 2012-2013. The 15th International Iranian Congress of Microbiology, 26-28 August 2014, Tehran, Iran.
19. **Khashei R**, Zalipoor M, Sarvari J, Taheripour M. Study of biofilm formation and detection of the *icaADBC* gene cluster among clinical isolates of *Staphylococcus aureus* and *Staphylococcus epidermidis* in Shiraz Teaching Hospitals, 2013. The 15th International Iranian Congress of Microbiology, 26-28 August 2014, Tehran, Iran.
20. Motamedifar M, Sarhangi M, Sarvari J, **Khashei R**. The prevalence of *Pseudomonas aeruginosa* producing *bla*_{IMP-1}, *bla*_{VIM-2}, *bla*_{SIM-1}, *bla*_{SPM-1} isolates in Shiraz, Iran. 15th Asia Pacific Congress of Clinical Microbiology and Infection, 26-29 November 2014, Kuala Lumpur, Malaysia.
21. Mahmoudvand Shahab, Sedigh Ebrahim Sarie H, Motamedifar M, **Khashei R**. Disaster in HIV patients: Seven cases with quadruple deadly coinfection, Shiraz, Iran. 6th International Tehran Hepatitis Conference. 27-29 May 2015. Tehran, Iran.
22. **Khashei R**, Dara M, Bazargani A, Lankarani K, Taghavi A, Moeini M, Dehghani B, Sohrabi M. Detection of A2142 and A2143 point mutations associated with clarithromycin resistance isolates of *Helicobacter pylori* by PCR-RFLP in Shiraz. 16th International & Iranian Congress of Microbiology. 25-27 August 2015. Tehran, Iran (**Oral presentation**)
23. Halaji M, Pouladfar G.R, Hashempour T, **Khashei R**, Ghasabi F, Sedigh H, Saraie E, Musavi Z, Moayedi J, Dehyadegari M.A, Khodadoust M. Demographic and clinical manifestations of Acute Respiratory Infection in children under 18 years. 9th International Congress of Clinical Microbiology, Shiraz, Iran. 13-15 Oct 2015. Shiraz, Iran.

24. **Khashei R**, Sohrabi M, Dara M, Bazargani A, Dehghani B, HosseiniAsl M, Alizadeh M, Nejati M. The study of genes encoding *Helicobacter pylori* OipA, SabA, and BabA2 proteins among patients with dyspepsia in Shiraz, Iran. 9th International Congress of Clinical Microbiology. 13-15 Oct 2015. Shiraz, Iran. **(Oral presentation)**.
25. Halaji M, **Khashei R**, Hashempour T , Pouladfar GR , Ghasabi F , Sedigh Ebrahim-Saraie H, Musavi Z 2 , Moayedi J , Dehyadegari M A, Khodadoust M. Detection of *Mycoplasma pneumoniae* in children with acute respiratory infection in Shiraz, south of Iran. 9th International Congress of Clinical Microbiology. 13-15 Oct 2015. Shiraz, Iran.
26. Malekzadegan Y, **Khashei R**, Mohammadi M, Sedigh Ebrahim Sarie H. Frequency of methicillin-resistant *Staphylococcus aureus* and methicillin-resistant coagulase negative staphylococci among isolates obtained from clinical specimens, Shiraz, Iran. 8th International Iranian Congress Lab & Clinic. 6-8 Feb 2015. Tehran, Iran.
27. **Reza Khashei**, Yalda Malekzadegan, Mahtab Hadadi. Trends of antibiotic resistance in methicillin-resistant staphylococci isolated from Shiraz teaching hospitals, Iran. 17th International & Iranian Congress of Microbiology. 23-25 Aug 2016. Tehran, Iran
28. **Reza Khashei**, Mahtab Hadadi, Meysa Ghayem, Yalda Malekzadegan, Hadi Sedigh Ebrahim Sarie. Occurrence of nosocomial pathogens in health care workers cell phones from a teaching hospital in Southwest Iran. Shiraz International mHealth Congress SIM Congress. 22-23 Feb 2017. Shiraz University of Medical Sciences, Shiraz, Iran.
29. **Reza Khashei**, Yalda Malekzadegan, Fatemeh Edalati, Zahra Razavi, Hadi Sedigh Ebrahim-Saraie. PHENOTYPIC AND MOLECULAR CHARACTERIZATION OF RESISTANCE TO MACROLIDES, LINCOSAMIDES AND TYPE B STREPTOGRAMIN IN STAPHYLOCOCCI ISOLATES FROM SHIRAZ, IRAN. 18th International & Iranian Congress of Microbiology. 29-31 Aug 2017. Tehran, Iran.

30. **Reza Khashei**, Yalda Malekzadegan, Fatemeh Edalati, Hadi Sedigh Ebrahim-Saraie, Zahra Jahanabadi.
