EDUCATIONAL BACKGROUND

PhD in Ph.D. Reproductive Health, Shahroud University of Medical Sciences, Iran, 2009-2013

MSc. in Midwifery, 1994-1998, Midwifery, Mashad University of Medical Sciences, Iran

BSc. in Midwifery, Mashad University of Medical Sciences, Iran, 1986-1991

DISSERTATIONS

PhD Thesis Title:

The relationship between maternal quality of life and psychological state on the initiation and continuation of breastfeeding: The examination of theory of planned behavior in breastfeeding

MSc Thesis Title:

The relationship between maternal anthropometric measurements and infant birth weight

Awards and Ranks

✓ Awards and Ranks....

TEACHING EXPERIENCES

I: Teaching Experiences I

Title...Maternal & Neonatal Health, Family Planning, 1998-present

II: Teaching Experiences II

✓ Title..... Maternal & Child Health, 1998-present

III: Teaching Experiences III

✓ Title.... Medical Terminology For Midwives, 1998-present

IV: Teaching Experiences IV

✓ Title.... Embryology for Midwives, 2008-2012

VI: Teaching Experiences VI

✓ Title Epidemiology, Fundamental of health services, Health education & consultancy in maternal health, maternal & child health, 2012-present

PROFESSIONAL MEMBERSHIP

- ✓ Member of Midwifery Department, Faculty of Medicine, Sabzevar University of Medical Sciences. 1998 to present.
- ✓ Member of Ethics committee, 2013-present
- ✓ Member of Athens institute for Education and Research, 2016-Present
- ✓ Member of Task Force of Midwifery Professional Ethics in Iranian Midwifery Science Development Association, 2016-Present
- ✓ Manuscript Reviewer of:

RESEARCH FIELDS OF INTERESTS

- ✓ Research Field I.....Validation studies,
- ✓ Research Field II..... Questionnaire adaptation
- ✓ Research Field IIIBreastfeeding, Maternal mental health

CONFERENCE PARTICIPATION

▪ Oral Presentations

- 14th World Congress on obstetrics and gynecology, Nov 2016, Tehran, Iran, *Worries of pregnant women*.
- 11th World Congress on obstetrics and gynecology, Nov 2013, Tehran, Iran, Breastfeeding methods in the first month postpartum: impact on breastfeeding duration.
- 11th World Congress on obstetrics and gynecology, Nov 2013, Tehran, Iran, Breastfeeding difficulties, psychological problems and breastfeeding duration.
- 15th world Congress on Human Reproduction, 15 March 2013, venesia, Italy, Quality of life during the transition to motherhood.
- 15th world Royan Twin Congress, Sep 2013, Tehran, Iran, Maternal psychological state during the transition to motherhood.
- 11th World Congress on obstetrics and gynecology, Nov 2011, Tehran, Iran, Women's perspectives towards unwanted pregnancy: A qualitative study.
- The first national conference on research in P.H.C network, Autumn 2008, Mashhad, The relationship between maternal anthropometric measurements and infant birth weight.

▪ Poster Presentations

- 15th world Congress on Human Reproduction, march 2013, venesia, Italy, Maternal psychological state during the transition to motherhood

- 18th World Congress of Gynecology and Obstetrics (FIGO), Nov 2006, Kuala Lumpur, Malaysia, Estimation of gestational age by measurement of fundal height and abdominal girth in parturient at term
- 12th World congress on gynecology endocrinology, Feb 2006, Florence, Italy, Estimation of birth weight by measurement of fundal height and abdominal girth in parturient at term
- International Congress of Clinical nutrition, Aug 2004, Brisbane, Australia, The relationship between maternal anthropometric measurement and birth weight
- Women's health congress, 2012, Shiraz, Iran, Quality of life after cesarean and vaginal delivery
- First world congress on health education and promotion, Spring 2011, Tabriz, Iran, The study of male involvement in prenatal care in Shahroud and Sabzevar
- 8th World Congress on obstetrics and gynecology, Nov 2010, Tehran, Iran, Concerns and expectations towards Husband's involvement in prenatal and intrapartum cares - A qualitative study
- 8th world congress on obstetrics and gynecology, Nov 2010, Tehran, Iran, The study of the accuracy of three methods in estimation of delivery date
- 8th world congress on obstetrics and gynecology, Nov 2010, Tehran, Iran, The effect of husband participation in prenatal care on pregnancy outcome
